About DC Finance

DC Finance's Family Office Worldwide Events

DC Finance (www.dc-finance.com) builds an international network of High Net Worth Individuals (HNWIs), Family Offices (FOs) and investors, who gather for mutual growth and support through first tier events worldwide.

The company, operating internationally for over a decade, reaches over 300 Billion USD of approximately 600 families in the USA alone, and over a 1,200 including Canada, UK and Israel.

The ability to partner investors with industry thought-leaders has amassed DC Finance a global network of families and SFOs. DC Finance's discerning requirements and unique standards are achieved through a strict registration policy, cutting-edge panel discussions, and world-class, globally recognized keynote speakers.

Hosting over 15 conferences and 30 private dinners across the year, DC Finance customizes each gathering to its audience and locale to deliver a high-caliber experience unmatched in the industry.

DC Finance's key events include: In New York City - the flagship **East Coast Family Office & High Net Worth Conference** (www.nyc-wealth.com); **The Tech & Innovation Family Office New York Meetings** (www.tech-wealth.com) and **The Real Estate Family Office NYC Meeting** (www.wealth-realestate.com).

Other events include **The Texas Series of Family Office & High Net Worth Conferences** in Dallas (www.wealth-dallas.com) and Houston (www.houston-wealth.com); **The Pre-Art Basel Florida Family Office & High Net Worth Conference** in South Beach that continues during the Art Basel week (www.wealth-florida.com) and **The Toronto Family Office & High Net Worth Conference** (www.canada-wealth.com).

Other events in Canada include **the Canadian Family Office Real Estate Conference** (www.rewealth-canada.com) and **The Toronto Tech & Innovation Family Office and High Net Worth Conference** (www.techwealth-canada.com).

In the UK, DC Finance hosts its **Annual London Family Office & High Net Worth Conference** (www.london-wealth.com) and **The London High Tech & Innovation Family Office Conference** (www.londontech-wealth.com). In Israel DC Finance has established several of the country's top financial conferences including **The Kibbutz Industries Annual Economic Conference**; **The Tel Aviv Institutional Investment Conference** (www.tlvii.com) and **The Annual Family Office & High Net Worth Conference** which is considered one the world's largest conferences in its field (www.israelwealth.com).
